ASRS News

ASRS Welcomes New Board of Trustee Members

Governor Janet Napolitano has appointed three new Trustees to serve on the ASRS Board. They are:

- > Michael F. Townsend of Flagstaff. Mr Townsend serves as finance director for Coconino County and will represent political subdivisions.
- > Anne L. Mariucci, of Phoenix. Ms. Mariucci, a co-owner of the Phoenix Mercury, has an extensive background in private business and will represent the public.
- > Jamie P. Gutierrez of Tucson. Mr. Gutierrez is a former state legislator and serves as Assistant Vice President for Community Relations at the University of Arizona. He will represent educators.

The governor also re-appointed Karl Polen Jr. to a second three-year term. Mr. Polen, Executive Vice President of the Pivotal Group in Phoenix, currently serves as Board Chairperson, and represents the public.

The Board of Trustees are appointed to three-year terms by the governor and confirmed by the state Senate. Each Trustee represents a specific segment of the ASRS membership, including state employees, the education community, retirees, political subdivisions and the public at large.

Interest to be charged on Payroll Deduction Agreements beginning July 1, 2004

The Arizona State Retirement System will begin to charge interest on all Payroll Deduction Agreements in which the Service Purchase request date is on or after July 1, 2004. The interest rate is set at 8 percent, the same as the assumed ASRS earnings rate on investments.

An original notice called for an April 1 implementation of the interest charge. However, at the March 19 Board of Trustee meeting, the Board agreed to move the date back to July 1, affording members additional time to prepare for the change.

Payroll Deduction Agreements are contracts that may be set up between a member and their employer for the purpose of making payments toward Service Purchase of previous years worked at another qualified employer plan that can add to a member's pension benefit upon retirement.

Previously, the ASRS allowed payroll deduction payments to be made without interest. The Board authorized the interest charge in an effort to ensure non-PDA participants do not absorb the cost of the PDA program, to minimize future contribution rate increases affecting all ASRS members and employers, and to maximize potential funds to pay for permanent benefit increases to monthly pensions.

To learn more about Service Purchase and Payroll Deduction Agreements, please see the Service Purchase Fact Sheet on our website, or call our Member Services Division at (602) 240-2000 in metro Phoenix, (520) 239-3100 in metro Tucson, or toll-free at (800) 621-3778.

Legislation Update

ASRS legislation has almost made it to the finish line, but it's a long way to sine die. Four ASRS bills passed out of both the Senate Republican and Democratic caucuses, and Committee of the Whole. HB2029 (ASRS; Service Purchase; Cost) was amended on the Senate floor to remove the five-year vesting requirement, allow the purchase of credited service using 401(a) and 403(a) plans through a trustee-to-trustee transfer, and, lastly, to ensure that an employee's accrued vacation, sick leave or overtime pay can be used to purchase additional service at the time of employment termination on a non-taxable basis.

Additionally, the full Senate voted this week to pass all four agency bills with a vote of 29-0 during third read. The remaining three agency bills are: HB2052 (ASRS; Retirement Incentive Costs), HB2077 (ASRS; Long Term Disability), and HB2078 (ASRS; Asset Management; Limitations).

This was officially the last week for standing committees (such as Senate Finance Committee) to hear bills. A few Senate committees have received approval from the President to hold multiple meetings this coming week to meet this deadline.

Other legislation of interest to ASRS and its members is summarized in the attached Quick Reference List.
